Our tour starts as we depart Sydney and travel south, pausing for morning tea in the Southern Highlands and lunch in Yass. Enjoy a 2 course dinner in the comfort of the motel's restaurant.

Our exploration of the Riverina Region starts this morning with a visit to a local Rice Farm. Hear from the farmer about the local industry and irrigation practices. Then we enjoy a pleasant stroll through not one but two of Griffith's delightful gardens that are open to view during the Spring Festival. Lunch today will be at one of the open gardens. At the Griffith Information & Interpretive Centre, watch a short film on the area and see the stained glass window display. We are then joined on the coach by a local guide who will introduce us to Griffith with an informative town tour. This afternoon, you can wander across the road from the motel to see the Citrus Sculptures. The display which is held for only 2 weeks in October features more than 60 larger than life three dimensional sculptures made from citrus. Tonight, we enjoy dinner at the Griffith Exies Club.

This morning we stop to have a look around the local Sunday Markets (gold coin entry required). Then at the Catania Fruit Salad Farm, our passionate hosts take us on a wonderful tour of the farm providing us with a brief history of irrigation to the region along with growing and harvesting facts about the 60 different fruit trees including tasty samples along the way. Next, we explore the Pioneer Park Museum and Italian Museum. Enjoy a light lunch and a train ride around the grounds which feature over 40 historical buildings as well as information on local agriculture and irrigation plus the history of Italian migration, settlement and horticulture in Griffith. Our last stop this afternoon is to Calabria Family Wines where we taste some quality award winning Riverina Region wines at the Tuscan-style cellar door. Enjoy dinner at the motel tonight.
