Today we'll see some Silo Art in Colbinabbin before arriving in the Victorian Goldfields town of Bendigo. At the Central Deborah Gold Mine, take a self-guided look around the surface displays before boarding the Vintage Talking Tram to see some of Bendigo's sights. Disembark for lunch at the Tram Café then back on the coach to continue on to the coastal town of Warrnambool. We check in to one of the town's finest motels which will be our base for the next 3 nights. All evening meals here will be at the motel.

## **Day 3 Tuesday 20 October 2026**

**Meals: B L D**

After two big days of travel, we enjoy a casual start this morning. Depart the motel and travel west along the coast to the town of Portland, Victoria's first settlement. Enjoy spectacular scenery and learn of the towns history as we ride on board a lovingly restored Cable Tram. After lunch, we take a tour of the Portland Maritime Discovery Centre with displays documenting the region's rich maritime history. Centrepiece of the museum is the 1858 Portland lifeboat, famous for its role in the Admella rescue of 1859 and is one of the oldest remaining unrestored intact vessels in Australia, possibly the world. Our journey takes us back along the coastline towards Warrnambool, to the charming fishing village of Port Fairy where we pause to enjoy some free time.

## **Day 4 Wednesday 21 October 2026**

**Meals: B L D**

Today we visit the Flagstaff Hill Maritime Village, a fascinating historic precinct that includes the state heritage listed Lady Bay Lighthouse, Warrnambool Garrison and an 1870s coastal port with an entire town. Take a fascinating guided tour of the heritage village followed by lunch at the Stella Maris Tea Rooms. As a special treat, we meet the famous Maremma dogs that protect the Penguins on Middle Island in Warrnambool, as seen in the Australian movie 'Oddball'. This afternoon we return to the motel for some down time. After dinner, we walk across the road to Flagstaff Hill Village to experience dramatic stories of Australia's rich maritime history, told vividly through the brilliant multimillion-dollar Sound & Light Show Experience 'Tales of the Shipwreck Coast'.

**Day 5 Thursday 22 October 2026****Meals: B L D**

We bid farewell to Warrnambool this morning and set off for a magnificent full day exploring one of Australia's most spectacular coastlines. As this is a Great Ocean Road tour, we think that it is important that you get to spend as much time as possible seeing the spectacular sights, so that is what we will do! Please note that you will be on and off the coach a bit today as there is a lot to see, but it is well worth it! From Warrnambool we start our journey along the Great Ocean Road, pausing to admire the Bay of Islands, Bay of Martyrs, The Grotto and London Bridge. We stop for some lunch in Port Campbell then continue on to see Loch Ard Gorge. Next, we visit the Twelve Apostles Visitors Facility where you can follow the interpretive displays along the boardwalk to the viewing platform to see the famous limestone stacks. Then, continue on to the seaside village of Apollo Bay located at the foothills of the mighty Otways where we will spend the night and enjoy dinner next door at the Apollo Bay Hotel.

Take a scenic drive around the port town of Geelong, Victoria's second largest city and have lunch. Our day comes to an end as we arrive back at our Wangaratta accommodation and enjoy our final evening meal together.
