DISCOVER WORLD HERITAGE LISTED K'GARI FRASER ISLAND

Day 1 Monday 1st September 2025

Meals: D

Meet your KTG Tour Host at Sydney Airport, ready to start your 5 day adventure. Our flight departs Sydney in the morning with a short stopover in Brisbane then onward to Hervey Bay.* On arrival, we board our awaiting coach and transfer to the River Heads Wharf ready for our ferry trip over to K'gari and check in at Kingfisher Bay Resort.

Day 2 Tuesday 2nd September 2025

Meals: BLD

This morning we board Quick Cat II for a truly memorable cruise. Witness the awe inspiring Humpback Whales as they take time out in the pristine World Heritage waters off K'gari to socialise, have some fun, learn some essential life skills and nurture their young. Take your wildlife adventure one step further and speak to the crew about their swim with the whale's experience **at own expense**. We return to the resort for a light lunch, then enjoy some leisure time to explore the resorts facilities. Before dinner this evening, meet your Tour Host at the Sunset Bar for a complementary drink (choose one drink from a selection of beers, wines or soft drink) and get to know your fellow travellers as the sun sets across the spectacular Fraser Coast.

Day 3 Wednesday 3rd September 2025

Meals: BLD

Board the custom-designed, four-wheel-drive coach for our full day Beauty Spots Tour of K'gari Fraser Island. Remember, it is a sand island, so some sections might get a little bumpy. Sit back and relax in air-conditioned comfort, whilst our experienced tour guide takes us to the most interesting sites the island has to offer. Our guide will enchant us with their knowledge of the natural history, geology and culture of the island. We see incredible sights like Central Station, Wanggoolba Creek, Lake McKenzie, Seventy-Five Mile Beach, the mighty Stonetool Sand Blow, the coloured sands of The Pinnacles and the famous wreck of the cruise ship, Maheno. See the Pile Valley's stunning Satinay and Brush Box forests and perhaps take a refreshing dip in the crystal clear fresh water at spectacular Eli Creek. A delicious buffet lunch is included. You may also like to take an optional **at own expense** scenic flight over the island, with information provided on the day. We return to the resort with time to freshen up before dinner.

Day 4 Thursday 4th September 2025

Meals: BLD

Mid morning today we join a Ranger for a guided Bush Medicine Walk. Take a easy stroll near the resort and learn about the native vegetation and its health properties. Enjoy a light lunch and some time to relax by the pool, read a book or visit the K'gari World Heritage Centre and souvenir shop. This afternoon we partake in a fascinating private Bush Tucker Talk & Taste. After an early dinner, when the darkness falls witness the new Illumina 'Return to Sky' light show which is sure to amaze one and all.
